

2009 Scholarship Recipient

Joseph Rivers, a junior Civil Engineering major from Humble was awarded the Chapter's First Scholarship! He is a 2007 graduate of Nimitz High School and maintains a 3.2 GPA. Completion of Advance Placement courses while in high school allowed Joseph to accelerate his college curriculum.

The devastation of Hurricane Katrina inspired Joseph to pursue his goal of becoming a Civil Engineer with a concentration in bridge design where he plans to enhance the development of structures. He is off to a good start and best wishes to him as he pursues his goals.

His parents are Delane and Ted Rivers of Humble, TX.
